

RYA Beginners' courses - Start Sailing

Module Dates: A two-day course – **Saturdays 7 and 14 April 2012**

A very special offer – This is a two-day course on which the club is teaching some members to be Assistant Instructors. By being a realistic 'customer' for them to teach, you are helping us and them enormously. That's why we don't charge for the course if you are a club member. If you're not a club member, there's a temporary membership fee of £20, which is refundable if you later join the club. If you enjoy this course, you could follow it up with a 3-day Basic Skills module, which will take you to being confident to take a boat out without an instructor in light winds.
