

RYA Beginners' courses – Basic Skills

Three-day course: Saturdays, 4, 11 and 18 September 2010

Is this the right course for you? If you've already sailed a little or completed Start Sailing, this 3-day Basic Skills module is right for you. (If you're a complete beginner, you should do Start Sailing first). This course will give you the confidence to take a boat out without an instructor in light winds. If you need more information, call or e-mail for advice.
