

RYA Beginners' courses - Start Sailing 2012

Module Dates: Start Sailing – A two-day course, Sat 25 May & Sat 2 June

Is this the right course for you? Start Sailing is for complete beginners and will introduce you to the sport. If you have already sailed a little, you could consider the 3-day Basic Skills module. The two courses together (5 days), will take you to being confident to take a boat out without an instructor in light winds. If you're not sure what would be best for you, call or e-mail for advice.
